

## DENTURE CONSENT FORM

I realize that full or partial dentures are artificial, constructed of plastic, metal, and/or porcelain. The possible concerns of wearing these appliances have been explained to me, including looseness, soreness, and possible breakage. I realize that I will be charged for the denture at the time of impressions, once the impression has been sent to our lab, a refund will not be issued if I change my mind about treatment.

I UNDERSTAND THE FINAL OPPORTUNITY TO MAKE CHANGES IN MY NEW DENTURES (including shape, fit, size, placement, and color) WILL BE THE WAX TRY-IN VISIT. I understand that if an immediate denture is placed the same day as multiple extractions, I will need to come back for adjustments as the bone and tissue heal, this may be daily, weekly, and/or monthly. I further understand that most immediate dentures require relining approximately three to twelve months after initial placement. The COST FOR THIS PROCEDURE IS NOT INCLUDED IN THE INITIAL DENTURE FEE.
